

# Intramural Grant Awarded for D2D Studies, 2020

---

## FACULTY

### MASONIC CANCER CENTER

Principle Investigators **Carrie Terrell, MD**, **Britt Erickson, MD**, and **Meredith Wise, MD**, all from the Department of Obstetrics, Gynecology & Women’s Health, along with Co-Investigator **Alexandra Scheffer, MD** will bring their study “Knowledge and Awareness of Uterine Cancer Among Minnesota State Fair Attendees” to the 2020 Fair. The team will survey Minnesota women about awareness of early symptoms of endometrial cancer.
